It all starts in the shower.

Zafira and Violeta are enjoying a perfect relationship living together. Their lovemaking always starts with clean bodies. First it's the shower, then a long lingering bath that warms their passions. The bedroom can wait as they use the bathroom as today's love nest to quench their sexual thirsts.

THE MAN CAVE

CLASS DISMISSED

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

I took a seat and surveyed the immense lecture hall – my new man cave – hardly believing my eyes as there wasn't an empty seat in the house. There must've been at least a hundred students in my morning English class, a vast departure from what I had experienced last semester at Beacon College.

Beacon was a small liberal arts school noted for its low student to teacher ratio. Individual attention was the name of the game; that and a progressive approach which allowed students to design their own courses of study. It was the ideal place for the highly disciplined and self motivated pupil.

Unfortunately I proved to be neither of these, hence my flunking out and landing at this huge state university where I was nothing but a number. Now, sitting there in the back row, I opened my laptop and

settled in for what would surely be a snooze-fest of a first day. I wasn't expecting much. My professors at Beacon had been topnotch.

But at this place my instructors would be part-time adjuncts; or even graduate assistants with very little, if any, teaching experience. One semester at Beacon cost more than four years at this joint.

You get what you pay for, right? At least that's what I thought until the teacher showed up. Talk about hot!

Ms. Palmer was a graduate assistant working on her doctorate. She told us all about it before going over the online course syllabus. The syllabus had been emailed to me yesterday, but I had yet to open the attachment. Even now, having been instructed to do so, I opted for my preferred porn site.

Ms. Palmer looked strikingly familiar. I was sure that I had seen her before. Turns out I was right.

Imagine my surprise upon discovering that my English teacher was also "Cleopatra Cummings"—my current go-to cam model when I was horny and desperately needed to rub one out!

I was so shocked by my discovery, so shaken and disoriented that I accidentally clicked on one of her archived scenes.

Next thing I knew a loud buzzing coupled with my teacher's moans and groans blasted from my laptop; right there on the screen was Ms. Palmer/Cleopatra Cummings pleasuring herself with a vibrator.

The volume was such that the entire class heard the disruption. Of course they broke out in hysterical laughter. Heads swiveled in unison, a hundred pairs of eyes regarding me as I fumbled clumsily with my keyboard.

I finally managed to log off the site. Still, the raucous laugher continued. Ms. Palmer didn't even try to restore order. She knew it was a lost cause.

It didn't surprise me when she raised her arms in defeat and dismissed the class. "We'll try again on Wednesday," she said, shaking her head in dismay.

Being on the back row, I was one of the last to reach the door. "Not so fast," Ms. Palmer said to me as I passed her desk. "I want a word with you."

I felt the blood rush to my face. I had never been so humiliated in my life.

But my embarrassment soon turned to excitement; this after Ms. Palmer told me to close the door, lock it, and whip out my dick.

"It's not every day," she added, "that I meet one of my fans . . ."

I was surprised that she had identified the clip as one of her own. The moaning and groaning coupled with the buzzing of a battery powered toy could have come from any random masturbatory scene.

"How did you know?" I asked her.

"I'm nothing if not a harsh self critic," she told me. "I've probably watched that scene a thousand times."

"Same here," I remarked.

The door was locked.

My dick was out.

And Ms. Palmer was no more, having rapidly morphed into Cleopatra Cummings . . .

She unbuttoned her blouse and tossed it atop the desk. Then she unfastened her bra, a sexy black lace number, adding it to the mix. Those marvelous tits of hers looked so much better in the flesh.

My dick stiffened.

Cleopatra licked her lips and crouched before me. Leaning against the desk, I stood there, my heart racing, as she wrapped her fingers around the base of my shaft and polished it with her tongue.

She worked slowly, licking me from balls to mushroom cap, before devouring me in earnest. Cleopatra pumped her head back and forth, taking every inch of my manhood. She generated an enormous amount of suction and friction, so much so that I feared a premature pop off.

Thankfully she took a break in the nick of time, allowing me to recover as she hopped up on the desk and raised her skirt above her shapely hips. Her panties matched her bra. She reached between her legs and pushed the frilly garment aside.

It was hard to believe. There it was . . . Cleopatra Cummings' pussy. But not on a computer screen. Oh no. Not by a long shot. Her pussy had leaped from the cyber world into the very real one. And it was all mine!

She lay there on the desk, her legs spread, as I guided my prick home. Her cunt felt amazingly tight. I fucked her with rapid fire jabs, banging that beautiful box of hers with everything I had.

Her ample tits jiggled and bounced as I thrust. The glorious sight of those pristine peaks did a serious number on me. Try as I might, I simply couldn't hold back.

I withdrew a second before the dam broke. When I was done her pussy lips glistened with cum. She swirled a fingertip through my man batter and raised it to her greedy mouth.

It was hard to believe. There it was... Cleopatra Cummings' pussy. But not on a computer screen. Oh no. Not by a long shot. Her pussy had leaped from the cyber world into the very real one.

"Yummy," she said after licking her finger clean. "Breakfast of champions . . ."

It goes without saying that I had a great first semester at the state university. Strangely enough, I seemed to be the only student on campus privy to Ms. Palmer's alter ego. Apparently they don't watch nearly as much porn as I do. Or maybe they're just too drunk and stoned to make the connection.

After all, this is a party school!

3 HOT CHICKS – AND ME!

Who could resist them especially since they all lived in my apartment building. Not me!

I had just gotten home from work when the doorbell rang. "Who's there?

"It's me; Linda."

Linda lives in my building, dresses in business clothes, wears her hair in a no-nonsense bun, and fucks like a rabbit. I opened the door and there she was, cute as a button in her pinstriped suit rubbing a rolled-up copy of The Wall Street Journal against her crotch. "Can I come in?"

I almost said no, for I had a date at 7 o'clock with Suzie. But as Linda leaned up to kiss my cheek, I smelled her scent of perfume mixed with cunt juice. And that always made my dick rise. I figured we'd have time for a quickie, and Linda was all ready to go.

"Come on in," I said, "but let me warn you, I have to leave at seven."

"You don't have a date with another girl, do you?" This investment banker had the sexiest little-girl voice ever.

"Of course not, honey," I replied. (I had dates with two other women, and they both lived in my building. When it rains, it pours!)

As soon as Linda had shut the door behind her she dropped the paper and clutched her pussy with one hand. "I'm so hot!" she gasped. "I've been thinking about you all day."

Her small hand anxiously rubbed over her pussy while the other hand unbuttoned the pinstriped suit jacket. Beneath it she wore a white blouse of the sheerest silk. Her nipples were quite visible, pressed against the soft material. Linda always wore silk blouses because, unbeknownst to her coworkers, she liked to remove her jacket and massage her tits when she was alone in her office.

I reached out to touch her silk covered breasts while Linda's hand still clutched her cunt. Slowly the prim and proper skirt worked its way up to her knees, and then up her thighs. A small tuft of hair appeared where her lovely legs met, and then I saw the rest of her womanhood and Linda's bare hips. As usual, she wasn't wearing any panties. Impatiently she grasped her wet pussy. "Let me see your big, thick dick," she moaned. "Put it on me."

I unzipped my fly while Linda moved two fingers in and out of her cunt. When she saw the size of the erection that popped out of my pants, her eyes opened wide and she bit her lower lip. "It's really big and hard," she whispered. "Put it in me now. I can't wait any longer!"

She looked so cute with her flushed face, her skirt hiked up around her trim belly and a hand in the honey pot; I didn't feel like waiting either. I put my hands under her arms and lifted her into the air, rubbing the side of my face against her face and her blouse. Linda's erect nipples poked my cheeks from beneath the silk. She rested her arms on my shoulders and wrapped her legs around my abdomen, her burning bush pressing into my belly. As I lowered her, Linda's thighs slipped down to my waist, then my hips, until her pussy rested on my steely penis.

She held on to me with one arm around my neck while the other hand reached below her ass to grasp frantically at my cock. I almost came at the very first touch of those small, strong fingers on my rod. My hands slid down to support Linda's butt, and with a globe in each hand I lifted her up again just enough so she could slip the tip of my dick into her quivering vagina. My shaft slid easily into

the scalding wetness of her cunt.

Linda's eyes rolled back with ecstasy as my hard-on pushed upward inside her. Her cunt muscles gripped my cock so hungrily that my hand under her ass could relax; my cock was supporting half her weight.

I rocked back and forth as she gripped me tightly, kissing my neck and whimpering. Hoisting her up one more time, I stuck a finger into her butthole and let her slowly descent onto it. It reached all the way up her ass just as the cum in my cock built up so much pressure that I could no longer hold back. Linda cried with pleasure as I shot a volley of sperm with so much force that she bounced on my cock.

I lowered her to the floor. She winced as I dragged my dick out from between her legs. Giving her little round butt a last loving squeeze, I withdrew my finger from her asshole. The hem of her skirt, which had been bunched up around her belly, dropped again below her thighs and knees. I helped get her jacket back on and escorted the hottie to the elevator. Then I ran back into my apartment, showered again, and headed to the elevator once more.

Emerging on the sixth floor, l tiptoed to Suzie's crib. Why did I tiptoe? Because Linda lives on the same floor—just three doors away. I knocked and whispered, "It's me. Mikey."

"You're late," snapped the voice on the other side of the door. "I shouldn't even let you in."

"Well, you'd better make up your mind soon," I said, "because I've got to be somewhere at 10."

I heard locks being unlocked and then the door opened. Suzie was standing in a cotton bathrobe that was open almost to the waist. The crevasse between her ample bosoms was exposed and one tan nipple flirted with the open air. Her long, dark hair was brushed over to one side of her head; her hands were on her hips, her legs were parted, and she looked pissed.

"Half an hour late and now you tell me you're leaving at 10?"

"No. I have an appointment at 10. I'm leaving at 9:30."

"Well, fuck you!" she said. "Because you'd have to 'force' me before I fuck you."

That was nothing new. I always kind of restrained Suzie up before I fucked her. And Suzie always came up with a good reason for me to do so. This time she slapped me right in the face. Then she wheeled around, stomped off into her bedroom, and slammed the door behind her. She didn't lock it, of course.

I walked in after her and she told me to get the fuck out. "No!" I growled, and in mock fear she stumbled backward and fell back onto the bed, her robe flung open to reveal tan legs and a lovely delta between them. I dove on top of her and felt Suzie's smooth, warm thigh nestle between my pant legs. She waved her fists in fake resistance, but I easily grabbed her wrists and stretched her arms out while smothering the rest of her soft body undermine.

'I'm going to hold you down because you slapped me," I told her.

"How dare you!" she protested, but she hardly resisted as I held her wrists. With my other hand I took my clothes off and told Suzie that she'd have to submit to me.

Kneeling at the foot of the bed, I moved my fingertips along her calves to the back of her knees, then up the soft insides of her thighs. Suzie had the smoothest legs in the world; they were as hairless as the cheeks of her ass. When my fingertips got to her pussy, they stopped.

"Don't touch me there," she whispered.

I touched her there and Suzie smiled in spite of herself. Spitting on my fingertips I touched her again, lightly rubbing my saliva over her clit. Suzie's love button swelled and she arched her pelvis forward to press harder against my fingers. I kept massaging her there until she was in as much of a frenzy as Linda had been. She twisted and strained at the knots that bound her, her thigh muscles contracting and shivering as the orgasm built within her. Her ass crashed again and again into the bed, her tits and

belly shook, and juice oozed out of Suzie's pussy as she rocked and groaned to a climax.

"Now you're going to eat me," I said. I crawled up until I was straddling her chest, with one knee on each of her arms. The nipples of Suzie's large tits tickled my ass as I sat over them.

"Don't make me blow you," she begged. But that was just part of the game. My cock lay against the side of Suzie's face and she turned her head so she could hook her tongue under it. Her soft, wet tongue slid beneath my dick and lifted it to her lips. She strained to raise her head so more of the shaft would slide into her mouth. I leaned forward and pushed my cock along the roof of her mouth and back to the hot rear of her throat. Suzie sucked and ran her tongue along my rod's length as her soft glottis tickled the tip of my cock.

I seemed to grow harder and longer as the first feeling of cum filled my hard-on. Suzie sensed it too and squealed with excitement as she sucked and licked faster than before. I slowly pulled out of her mouth as I approached my orgasm, Suzie's lips hugging my rod and unwilling to let it go. Just as her lips were kissing the tiny opening, my cock started to spew cream. She kissed and sucked feverishly as my roger bounced in and out of her mouth, spurting cum on her lips and face. Suzie struggled to lift her head once more so she could finish licking my dripping dick, and then she grinned and relaxed. Suzie always nearly passes out when she blows me. That's love!

Back in my own apartment I showered—for the third time that evening—so I wouldn't smell of Suzie when I visited Cassie. Definitely out of your fucking mind, I told myself, for trying to do three chicks in one night—and in the same building, no less. But I headed toward the elevator just the same. "Dinner's on me," Cassie had said, and that was an invitation I just couldn't turn down.

Cassie lives on the seventh floor, just above Suzie's apartment. Same vestibule, same layout and everything; only the girl was different. Very different. Cassie is tall, slim, blonde, and she likes to be licked all over her luscious body. Likes it so much, in fact, that she smears whipped cream or whatever else is handy onto her tits and pussy to induce me to lick them. The girl doesn't realize that I'll gladly lick her long legs, firm ass and big boobs even without the whipped cream. But whipped cream is a nice extra.

When Cassie opened the door she appeared, for a moment, to be wearing a brown bikini top over her tits. Then I realized that she actually wasn't wearing anything; she had simply covered her boobs with chocolate icing and had plunked a cherry onto each of her nipples. Cassie smiled, took my hand, and led me to her bedroom. With her back to me, I saw that her ass was also painted like a bikini; only the color was pinkish red. Raspberry jam.

As soon as we got to her bedroom I took my clothes off so I wouldn't get sticky stuff all over them. Cassie laughed at my fastidiousness; her large, chocolate jugs shook as she giggled. The cherry fell off her left tit, exposing a bare nipple surrounded by frosting.

I sat on the edge of her high, old-fashioned bed while Cassie remained standing, and I began licking her cherry-less breast. I licked along the outer perimeter of the brown bra, moving my head in circles and making the chocolate covering grow smaller and smaller. More and more pale tit showed as the tracks of my tongue spiraled inward until just a little brown circle surrounded Cassie's nipple.

I leaned back to admire my work. Cassie didn't want me to stop. "Lick it, Mikey! Lick my nipple!" she cried, putting her hands behind my head and pulling me to her tit. As my tongue finally touched the tan center, Cassie purred. I sucked in the last of the icing and slid my face to the cleavage between her breasts. Then I started working on the other one, but gently chewing this time instead of just licking. My teeth skidded and nibbled across Cassie's soft skin, leaving trails of

pink on her chocolate tit. I slurped all the icing from the soft skin of her breast, finishing off the meal with the cherry in the middle.

She then turned her back to me, putting me cheek to cheek with her firm, raspberry butt cheeks. Cassie has the kind of pert ass you want to bite, even without raspberry jam. I sunk my teeth into one of Cassie's cheeks and playfully gnawed on her ass. Then I lapped up jelly from her butt until nothing was left except a thin line of preserves that covered the crack of her ass.

Placing my tongue at the top of the crack, I slowly slid it down, moving it deeper and deeper into the crevasse. Her ass cheeks began to contract and jiggle as I approached her asshole. Cassie bent over and rested her hands on her knees to give me better access to the eye of her ass. When my tongue finally touched the hot hole, she really went wild. She swung onto the bed and spread her long, lovely legs, pleading with me to kiss her pussy.

I had thought the meal was over, but Cassie has such a soft, pretty pussy that I was happy to eat it anyway. I licked my way up the soft inside of one thigh; when I flicked my tongue against her clit, she shivered with delight. I touched it again and it started to swell. My tongue slid into Cassie's vagina and was enveloped in soft, sweet cream: Reddi-Wip. She must have sprayed it up her cunt. I stretched farther and farther into the hole to lap up the cream, while Cassie moaned and purred. The whipped cream began to mix with her own salty juices as I licked, and she nuzzled her clit against my nose.

My cock was as hard then as if I hadn't fucked all night. My big, red hard-on wanted in on that cream-filled cunt. I moved up along Cassie's flat belly and clean, shiny tits until our heads were even and my rod was knocking on her open door. My dick found its way in, entering a pussy that felt creamy and cool from the topping that remained in it. Cassie's soft lips met mine as my shaft slid all the way into her cunt, right up to the hilt. Her lips moved all over my face until they rested over one ear, breathing wet heat into it. Cassie's back and thighs arched and her breasts pressed up against my chest as she came, while my cum shot into her creamy cunt.

I started to nod out; it had been quite a night. Suddenly there was a furious rapping at the door.

"Help! Hurry!" It was Linda's voice. Cassie threw on a robe and ran to the door. "What's the matter?"

"I was walking to the elevator on the sixth floor when I heard your downstairs neighbor screaming for assistance. I thought that we might climb down your fire escape to see what's going on."

Shit! I then heard Cassie say, "I'll ask my boyfriend to check it out." Linda seemed pleased with that and she headed back to her apartment.

"Should I go down there with you? Cassie asked.

I had to think fast. "No. Um, it might be dangerous," I replied.

"Then you shouldn't go. Let's call the police."

"It won't be that dangerous," I said, and I was out the window before she could answer.

Suzie looked astonished as I entered her bedroom from the fire escape. She was lying as I had left her, robe flung open and tits heaving from all the yelling she'd been doing. I walked over to her and she reached up to hug me. "How'd you get onto my fire escape?" she asked.

"I, um, remembered that you were still lying around, but when I came back I saw that your door had locked shut behind me. So I went up to the roof to get onto the fire escape."

"You're so brave!" she sighed, pressing her bare tits against my chest and breathing on my neck. "Are you staying?"

"Um, no. But I'll see you tomorrow night. All night; I have nothing else planned."

And that's the way it was from then on. I never again tried to fit in all three chicks in one night. After all, when you've got a good thing, why risk blowing it?
